NOTE FOR: Director of Security

FROM: EA/DDCI

Bill,

The DCI/DDCI would appreciate your taking another crack at coming up with some information on the polygraph for the Secretary of Defense. What they would like is a simple list of successes achieved through the polygraph, [redacted]

[redacted] and the various breeches of security, fraud, etc., which have come to light as a result of a polygraph examination and subsequent interrogation. The list should contain a short 3-4 line discussion of the substance and significance of each case.

Please try to aim for the next breakfast, which is scheduled for 28 January. We should have this material no later than noon on the 27th. Please call if you have any questions.

Thank,

OS 3 0093/1
